1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

- 2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO initially suspended processing of 18 months from the date of demand publication. The USPTO will delay the publication of any claim of a patent application until the demand is made under 35 USC 112 and until no further amendments from the applicant or an attorney-in-fact are considered to be necessary. The publication will be delayed for publication 18 months from the filing date of 20 days from the above "date to publish" which occurs later, unless otherwise is provided by the USPTO. Pursuant to the proposed suspension of the 18 month period of publication.
